

Jack (Jhao-Ting) Chen 陳兆廷
National Tsing Hua University (3rd year)
Electrical Engineering

✉ jack34672@gmail.com ☎ +886 905 568 318  

Experiences

- Picture Analysis & System Development Intern @ Logitech (2020 spring)
- NLP & CV **Undergraduate @ Vision Lab NTHUEE** (2019 fall ~ 2020 spring)
- Algorithms & Web Development Summer Program @ **UBC** (2018 summer)

Achievements

- Academic Achievement Scholarship from *NTHU* & *NTHUEE*
- **GPA 3.85/4.3** (Average)
- **TOEFL 105/120** (March 2020)
- Full mark (75/75) on University Entrance Exam (Top 0.1 of National Cohort)

Skills

- **C/C++** & OO programming
- **Python**, experiences with ML, DL, CNN using **scikit-learn**, **Pytorch**, ...
- Web design & **front-end** development with **JavaScript/ React/ Redux**
- Web **back-end** developing experience with **firebase**, **GAE**, **AWS**...
- Verilog, FPGA, embedded system operating.
- **Linux operation** (Basic script programming)
- Fluent in English (written and verbal)

Projects

Locality Sensitive Hashing on ALBERT (2020/3~2020/6):

- Improve space complexity on natural language processing model, ALBERT.

[Captcha Breaker](#) (2019/11~2019/12): CNN Captcha decoder using Residual CNN

- Highest scored project in the course (Introduction to ML).

[EasySheet](#) (2019/2~2019/6): Online guitar sheet editor. Web development project.

- Start-up project. Received investment requests.

Profile

- Passion for coding
- Passion for designing
- Ready for challenges
- Interpersonal skills
- Time management skill
- Friendly and Kind!
